

Please **email** your completed application to the Music Therapy Director:
Maggie Johnson, MT-BC | Maggie@earthtonesnw.com

UNIVERSITY-AFFILIATED MUSIC THERAPY INTERNSHIP APPLICATION	
Name: _____	Date: _____
Mailing Address: _____	
Phone: _____	Email: _____
Desired start date: _____	
School: _____	
School Address: _____	
School Internship Contact: _____	
Phone: _____	Email: _____
Date applicant will have completed all academic coursework: _____	
Primary instrument(s): _____	

Please include the following with your application (may be sent as separate documents):

- Cover letter and resume including brief description of all relevant clinical experience
- Completed short essay (250 words or less per question) found on the following page
- Two letters of recommendation from a music therapy supervisor
- Official academic transcript(s) from all colleges and universities attended
- One example of academic written work, relevant to music therapy (maximum 5 pages)
- One link to a video (max. 10 minutes) demonstrating musical competencies in voice, guitar, and piano in a short 'demo session' with peer(s). Please ask your peer(s) to participate as themselves, NOT to role play as a client group. Please include a brief description in the video of the rationale for each musical experience used. The video must be set to "unlisted" and removed/deleted at the end of the application process and cannot mention Earthtones Northwest in the title or description.

*Note: A legal university affiliation is required for university-affiliated internships and must be in place prior to the internship start date.

Short Essay

1. What are the qualities that make you an excellent candidate for our internship?
2. Which music therapy philosophies do you resonate with most?
3. What draws you to the Earthtones internship program?
4. What is your ideal supervision experience?
5. Describe an interpersonal musical experience that positively impacted you.
6. What clinical, musical, and professional goals do you hope to work towards during your music therapy internship?
7. How have you worked towards your own cultural awareness and responsiveness both in and out of music therapy?
8. What are your career goals following completion of your music therapy internship?
